

# Repository record

Duane Melius · web & brand · updated 26 September 2026

## LIVE SITES

| SITE          | ADDRESS                | HOSTED                                     | UPDATE WITH                                 |
|---------------|------------------------|--------------------------------------------|---------------------------------------------|
| Portfolio     | sunseeds.world         | Netlify · sunseedsclan (domain: Namecheap) | Drag the site folder onto Netlify › Deploys |
| Perfect Pitch | perfectpitch.site      | DigitalOcean · 138.68.184.22               | DEPLOY.command (UNDO.command to roll back)  |
| Writing       | thedblack.substack.com | Substack                                   | Substack                                    |

## SHARED LINKS (SAME ORDER EVERYWHERE)

| WHAT                   | LINK                                                                                                                        |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Portfolio              | <a href="https://sunseeds.world">https://sunseeds.world</a>                                                                 |
| Perfect Pitch          | <a href="https://perfectpitch.site">https://perfectpitch.site</a>                                                           |
| Writing (Dante Black)  | <a href="https://thedblack.substack.com">https://thedblack.substack.com</a>                                                 |
| EP · RIDE OF YOUR LIFE | <a href="https://youtu.be/gNCP3-ZsTHo">https://youtu.be/gNCP3-ZsTHo</a>                                                     |
| LinkedIn               | <a href="https://linkedin.com/in/duanemelius">https://linkedin.com/in/duanemelius</a>                                       |
| Email                  | <a href="mailto:duane@wemakesense.org">duane@wemakesense.org</a>                                                            |
| CV (public, no phone)  | <a href="https://sunseeds.world/cv/Duane-Melius-CV.pdf">https://sunseeds.world/cv/Duane-Melius-CV.pdf</a>                   |
| Creative CV            | <a href="https://sunseeds.world/cv/Duane-Melius-Creative-CV.pdf">https://sunseeds.world/cv/Duane-Melius-Creative-CV.pdf</a> |

Cross-links: the portfolio links to Perfect Pitch, Substack, the EP and both CVs. Perfect Pitch links to the portfolio ("Meet the founder") and has a Founder column in its footer. Both CVs and the cover letter carry all five links.

## DESIGN LANGUAGE

| ELEMENT           | VALUE                                                                                         |
|-------------------|-----------------------------------------------------------------------------------------------|
| Type              | Big Shoulders Display (headlines) · Source Serif 4 (body) · IBM Plex Mono (labels)            |
| Sites (dark only) | ground #1B1E24 · surface #262A32 · deep #0F1115 · text #EEF0F3 · soft #A7AEBB · lines #3A404B |
| Riso inks         | yellow #FFE800 · pink #FF48B0 · blue #0078BF · green #00A95C · orange #FF6C2F                 |
| White by design   | CVs, cover letter, emails, Perfect Pitch report PDFs                                          |
| Signature         | one key word in a solid yellow block ("before", "connected", "Melius")                        |

## ACCESS

|         |                                                                                          |
|---------|------------------------------------------------------------------------------------------|
| Server  | <code>ssh root@138.68.184.22 · key ~/.ssh/id_ed25519</code> (passphrase in Mac keychain) |
| Paths   | <code>/var/www/perfectpitch/web/static · .../web/templates · service perfectpitch</code> |
| Backups | <code>/root/pp-web-backup-DATE.tgz</code> (made by DEPLOY)                               |
| Caution | Repeated failed logins trigger fail2ban. Stop after one failure.                         |

## NEXT SESSIONS

- Light/dark toggle in the site headers.
- Move sunseeds.world to the main Namecheap account (steps in the deployment guide).
